## PROJECTS

### PROJECT BIN

Project Bin is a platform designed for developers, students, and tech enthusiasts to share, discover, and explore innovative project ideas. Whether you're a beginner looking for inspiration or an experienced developer searching for your next big project, Project Bin is your go-to destination.

[Project Link : https://project-bin.vercel.app/](https://project-bin.vercel.app/)

### HAMMER

Hammer, it's an e-commerce website made only with HTML, CSS, and JavaScript. It doesn't have any backend functionality; it is purely front-end.
